The First International Piano Music Festival

In Silicon Valley, July 2-3, 2008

The Kurosawa Piano Music Foundation is proud to present its premiere event, the First International Piano Music Festival, a showcase of piano duo and piano ensemble music designed to excite and inspire young artists and the community in Silicon Valley.

In addition to the Gala Concert featuring international recognized professional piano duo artists from Russia, Japan and Italy, the festival will include two days of intensive educational workshops, master classes and private coaching for young, aspiring piano artists who will present their newly learned skills in the Young Artist's Showcase Concert.

Don't miss your chance to support this wonderful event!
