KUROSAWA
Piano Music Foundation

PEM Club Member Benefit

The PEM Club is organized so that more people are involved in the piano ensemble music activities throughout the year. The PEM Club members will discover and explore the rich repertoire of piano ensemble music. The PEM Club will invite a world-class artist for a master class to study how to blend piano sound with other instruments and voice. Members will hold a benefit concert and contribute their talents for the benefit of the community. The PEM Club will also distribute call- for-applicants for the KPMF season events, such as the 3rd International Piano Music Festival in June, 2010. The members will meet from time to time to prepare for the events provided by the PEM Club and the KPMF season program.
